News of the Tred Avon Yacht Club

February 2022

Volume 76 Issue 2

FROM THE COMMODORE...

"There are some things you can only learn in a storm". Joel Osteen

It was a quick arrival for the month of February, or not quick enough for those who may not enjoy the brisk winter breeze and a little snow accumulation. I hope all members and your families have stayed healthy and safe this past month.

COVID 19 attempted to derail New Year's Day brunch with staff and member illness and worry over exposure. Despite its best effort 65+ members, families, and guests were treated to a beautiful morning feast complete with bloodies and Mimosas. Both Vicky and Lisa get a huge *SHOUT OUT* for their energy and effort to carry both the dining room and kitchen to cover for ill/absent staff. Thank you, Ladies, to you and your small "team".

While the club was closed for the annual "refresh" in January, look for the schedule to start filling up with Ales & Tales and other activities in February, as we coast towards spring. Also be on the lookout for the 2022 TAYC Directory to be arriving soon.

The 2022 Committees are filling up. Geoff Holmes is excited to join current Membership Committee members Ray Munch, Maury Schneider, Jim Alpi, Christine Dufour and Alan Campbell. Gudy Irving will join Allen Clark in the role of Club Historians, and current Treasurer and P/C John Devlin will be chairing the Long-Range Planning committee. I send a welcome and thank you to those joining on for a term.

On the Board front...

With Spring only 47 days away, Rear Commodore Parish and Gov. Mac Sommerlatte are recruiting for several gardening volunteer opportunities. If you love to get your hands into the dirt or always dreamed of having your own plot to cultivate, please reach out to Mac and claim a plot. The "4th of July" Celebration may be 7 months away, however planning begins early! The barge is already secured, and planning is underway with our fireworks vendor to put on as powerful a show as last year. The ongoing work focused on the "old floating dock" will continue as we struggle to keep up with years of wear.

The 2022 Jr. Sailing Summer program is open for registration. What an exciting year it will be as TAYC returns to a full 8-week program which will culminate in the annual Oxford Regatta. Governor Will Wrightson and Committee chair Reed Carey encourage all families to get your registration in early because classes are filling up quickly!

Gov. Ken Davis – Race Management –has recruited Art Dent to help support this year's Race Management documents, Welcome Art, and thank you. Ken has also been collaborating with Linda Ambrose at AYC and TAYC will be adding a Mother's Day PHRF/ORC race to the calendar. Look for the May 8th NOR to be released shortly for the inaugural *Choctank Challenge*. Gov. Jeff Cox and Ken will also be working with Fleet Captains to review and ensure we have great club championship series in 2022. Reach out to Ken or Jeff if you have a skill or talent to support race and fleet management!

Just a reminder: Please continue to share pictures and stories of all the winter adventures for Where are members off to? Please send to Katlin at katlinthetide@tayc.com.

-Commodore Karen M. Singleton

New Members

John & Anne Borneman

Proposer: Brud LaMotte

Seconder: Jim Robfogel

John and Anne have been power boating on the Bay and in the Bahamas for more than 30 years. They have enjoyed a long association with Oxford since purchasing their home on Morris St. in 2007. While Jay's sailing resume is limited, he has extensive boating ownership and cruising experience. Now that they are retired, they are looking forward to participating in club activities, help with races and volunteer activities.

Carolyn & Jim Handlon

Proposer: Tom DeMarco

Seconder: Ken Kennerly

Jim has 22 years of sailing, 30 years of power boating experience and is a graduate of the Annapolis School of Sailing. He is an avid Chesapeake Bay boater and has cruised up and down the Eastern seaboard including ICW trips. Carolyn has always been a boating enthusiast - active in power boating for 30 years. Now living full time in Oxford, Carolyn has taken private boating classes and last year, graduated from the Annapolis School of Seamanship. They are thrilled to be full time Oxford residents to allow for their long awaited opportunity to be more active members in the Oxford Community and now at TAYC! They look forward to volunteering and being supportive in many aspects.

Julia Stockton Dorsett

Proposer: P/C R.J. Cooper

Seconder: Judy McLennan

Julia has a extensive sailing resume and is now a retired competitive sailor looking to give back to the community as well as enjoy the wonderful Chesapeake Bay waterways. As a TAYC member she is glad to have the opportunity to do both. She has travelled the world to sail in may regattas, but has finally put roots down in the idyllic Eastern Shore and joining TAYC is he next natural step. She is excited to get more involved with her new neighbors and to continue doing what brings her the most joy, sailing, She is looking forward to getting involved in the Junior Sailing Program and to share her experiences as a disabled sailor with our youngsters.

RC Laser Winter Sailing

One of the great things about sailing RC Lasers is that it is a year-round sport! When Mother Nature hands us a beautiful winter day, we go racing :)

On a sunny Wednesday afternoon, Sean Callahan, Earl Segal, John Tochko and Bob Roe got together, set marks and spent two hours sailing off Bonnie Richards' shoreline. No serious racing, just MANY practice starts. Every few starts, if we looked good, we'd race to the windward marks finishing downwind. We spent the afternoon tweaking both boats and sailing skills. Now that's some great winter fun!!

Come try your hand at RC Sailing. If you would like to be notified of upcoming winter RC sailing dates, send John Yates, RC Laser Fleet Captain, your email address. We will put you on the winter sailing contact list. We will have boats ready for you to sail. Great time to try RC before our Spring Series opener on April 6th.

COME JOIN THE WINTER FUN!

Bob Roe

Blast from the Past

FIRST PLACE TEAM — Marjory Myers (left) presenting the Junior Elimination Sailing Award to the first place team, Sharon Corkran, skipper, and Elizabeth Cox, (fore-

ground) crew, as Assistant Instructor Tad DuPont and Instructor Chester Baum look on. Miss Myers also is an Assistant Sailing Instructor at the TAYC.

Jr. Sail Awards - September 1963
