

Summer Series:

The Summer Series is a racing series over 6 weeknights, open to Opti and 420 Green fleets and Opti, Laser, and 420 race team members. Green fleets will have active coaching on the water and will treat the racing as a practice. Instructors will run a series of races between 5:45 (First Start) each night and 7:30. If a sailor participates in 50% of the races in the season, they will be eligible to win a trophy at the Junior Sailing Awards Banquet on August 3rd. This series is intended as a supplement to the other events the race team is doing during the summer. Parents are expected to have an adult on shore to be responsible for their sailor during rigging and racing. This series is not in conjunction with any yacht club dinners or functions and no supervision will be provided for sailors between camp and racing.

There is no additional charge for Jr. Sailors registered in our program. We only require a commitment and a registration in advance.
