Commodore's Message

Another two GREAT regattas at TAYC this year with the Heritage and the Hammond!

Our regattas this year have simply been magnificent - even the weather has cooperated. Our club does a wonderful job hosting events and we should all be proud of this. I was reminded of just how well our club does recently

when I met with the Annapolis Yacht Club flag officers and several of their members. The entire crew from Annapolis was singing our praises for our regattas and events each and every year. THANK YOU to everyone who works so hard to pull off these great events at TAYC!

An upcoming event is our Star Fall Windup which will be held at TAYC the weekend of October 7th and 8th. Several of the top Star teams from the United States, Canada and Brazil have already signed up to participate in our regatta this year as training for our World Championship event next October. Currently the field includes two world champion skippers and one world champion and 2x Olympic medalist crew (and registration is still growing). It's going to be some extremely high-profile racing, so please come on down and check it out if you would like to get a sampling for next year's main event.

PHRF Fall Weekend is October 14th and 15th. I am hopeful that we can build on our PHRF fleet's participation this fall and encourage everyone to find a way to sail in this event. It's going to be fun and I plan to be out there one way or another.

I am happy to report that the FOS fleet is offering racing classes this October. The dates for these classes are the 15th, 21st and 22nd. Details to follow or feel free to contact Mac Sommerlatte for additional information.

The Saints Peter and Paul High School Sailing Team will be hosting three regattas at TAYC this Fall. These regatta dates are September 30th and October 1st for the MDISA Varsity Championships, October 7th and October 27th. Lots of good racing viewing from the club if you would like to come down and watch.

It's simply a great time of year to be at the club. Come on down for a Wednesday Night Dinner, a Friday Night, Halloween in Oxford (especially for the kids), and of course plenty of sailing for everyone. Thanks, and hope to see you at the club soon!

Membership News

The following have been approved for Resident Membership.

Peter and Jean Galloway

Proposer: *Geoff Holmes*

Secunder: *Robert Shattuck*

We welcome new members and avid sailors, Peter and Jean Galloway. They moved to Talbot County from Darien, Connecticut where they were members of the Noroton Yacht Club and both served on the governing board as well as volunteering and serving in many other positions. Peter has been a member of two different International Sailing Federation Committees, the president of the Sonar Class Association, and even invented the Harken Ratchamatic block. He is a life-long sailor, coach, and racer, most notably a small boat racer who has won national events in dinghies including seven time North American Champ in the Sonar Class. In his younger days, he was the top amateur finisher in the Soling Class, finishing 7th while competing in Olympic trials. They have already joined our ranks as volunteers serving on TAYC race committee and bring an extensive and knowledgeable background in sailboat racing, administration, and guidance to our club.

SUBMISSIONS FOR ANNUAL AWARDS BEING ACCEPTED

Nominations are currently being accepted for 2 annual awards to be presented at the Annual Meeting on November 5th. Below is a description of the awards. Please submit your nominations, including a brief explanation as to why the person is deserving, in writing to Commodore R.J. Cooper.

The Sportsmanship Award

This award began in 1987 and the goal is to recognize those sailors who promote yacht racing by their sportsmanship on and off the race course. This award will be presented to a member who has exhibited those characteristics of sportsmanship as outlined by US Sailing: devotion to the sport of sailing, enthusiasm, Corinthian behavior and a willingness to assist fellow sailors.

The William H. Corkran, Jr. Race Committee Hall of Fame

Established in 2006 by the Board of Governors to remember Past Commodore William Corkran, this trophy is awarded yearly to a member who has contributed generously to TAYC's race committee needs with their time, expertise and wisdom.

RC Laser News

The Fall RC Laser Fleet is in full swing with good weather in play. We are racing every Wednesday at 1700 hrs up until Thanksgiving week with additional regattas filling the fall calendar in October.

- On September 9-10 our fleet hosted the EC12 Regional Championship, with 20 boats, on Tilghman Island with Roger Baldwin and Dave Branning racing with other fleet member's on the race Committee
- On September 29-30 we also hosted a 23 boat fleet of Santa Barbara models for their National Championship. We hosted skippers from California, Wisconsin, Illinois, Maryland, Connecticut, Pennsylvania, Delaware and New Jersey.
- On Saturday, October 21st we will again host the RC Laser Harvest Regatta, an open regatta to be competed for the newly created trophy in the name of Dick Richards, our former fleet charter member. We expect most of our fleet members to come out and race joined by several visiting skippers from all over the Mid-Atlantic area.

-Dave Branning, Fleet Captain
